

**Index of Elizabeth Riddell, Poems 1921 – 1940**

Marcia Russell

Note: Forty five of the Bettie Riddell poems published in the Bulletin are identified by Theresia Liemlienio Marshall, in 'New Zealand Literature in the Sydney Bulletin, 1880-1930,' (unpublished doctoral thesis, University of Auckland 1995). Five of the Bettie Riddell Sun poems are noted by F. W. Nielsen Wright, in *An Account of the Aotearoa Poet Betty or Bettie Riddell, 1910-1998, with Examples of Her Poetry* (Wellington: Cultural and Political Booklets, 1998). Two Bettie Riddell Poems from *Kowhai Gold* (1930) and *The Untrammelled*, as a single poem edition, (1940) are on the record. All other poems identified through Marcia Russell's research.
